

Documents

- Passport
- An Indian visa, where required
- Medical insurance covering the right activity, altitude and evacuation
- A national driving licence of the appropriate category
- An International Driving Permit
- Digital copies of your documents on your phone and in cloud storage

Riding gear

- Your own sound full-face or adventure helmet
- Riding jacket with shoulder, elbow and back protection
- Riding trousers with knee and hip protection
- Riding boots or high protective boots
- Standard and warm riding gloves
- Waterproof rain suit
- Balaclava and buff

Clothing and footwear

- Base layer, top and bottoms
- Fleece layer
- A lightweight down or warm synthetic jacket
- Warm hat and a sun hat
- Warm socks and spare clothing for the riding days
- Trainers or light footwear for the hotel and for walking

Personal items

- A soft holdall or duffel bag
- Small day pack
- Water bottle and vacuum flask
- Sunglasses
- Goggles or a dust mask
- Head torch
- Power bank and chargers
- Sun cream and lip balm with SPF
- Microfibre towel
- A personal first-aid kit; do not pass medication to other participants
- Personal toiletries
- Cash for personal spending

Important

- Do not bring a drone without written permission confirmed in advance: the route runs through border and protected areas
- Do not bring a satellite phone, satellite tracker or other specialist satellite equipment without separate permission from the Indian authorities
- Check the permitted weight and how baggage is secured before you fly; hard suitcases are not suitable for the riding stage
